OPERATIONS CHALLENGE

PRACTICE DAY 09
FRIDAY, APRIL 17, 2009
FRANKLIN, NH

Attend a day of excellent training in areas of Collection Systems, Process Control, Laboratory, Safety and Maintenance. This is meant to be a time for learning more about each challenge event while providing a more relaxed atmosphere. The training will consist of both classroom and hands on practical experience.

All you need to do is come by yourself or round up 2, 3, or 4 of your Operations, Laboratory, Maintenance or Collection Systems Personnel and register for a fun day of training, practice and networking with other operations professionals.

Anyone can participate. If you don't have a team or group, you can be matched up with others from different facilities.

Remember..... This can be a fun and rewarding experience.
