

Annual Trade Fair

AGENDA

Friday, April 12, 2024

8:00 AM - 2:00 PM

EXHIBITS OPEN - GRAND BALLROOM

Displays of the latest environmental products and professional services in the Wastewater Treatment Industry will be open for viewing. New! Try your hand cutting pipe at the pipe cutting demonstration inside the hall. There is no charge for entry into the Exhibit Hall.

TECHNICAL SESSIONS

BEDFORD ROOM

Earn 1 Technical Credit Hour (0.1 CEU) for Trade Fair Attendance. Attendees can earn an additional 2 Technical Credit Hours (0.2 CEUs) for attending both technical sessions. NHWPCA will issue certificates for attendance following the event.

9:00 AM - 9:45 AM

PFAS SUPER SESSION: TEST METHODS AND SAMPLING PLANS

Anthony Drouin, NHDES

During the first half of the technical session, Anthony will be covering the various test methods used to analyze PFAS in wastewater and sludge. As well, he will be reviewing the latest NPDES PFAS monitoring requirements most WWTFs are seeing within their permit revisions. During the second half of the session, Anthony will cover the basic elements on how to establish a sampling plan for PFAS in wastewater and sludge.

10:00 AM - 10:45 AM PFAS SUPER SESSION CONTINUED

12:00 NOON

FORMAL LUNCHEON - WENTWORTH ROOM

1:00 PM

AWARDS CEREMONY

Celebrate and honor fellow NH wastewater professionals' achievements as the 2023 New England Water Environment Association Awards will be re-presented to recipients.

2:00 PM

RAFFLE TO BENEFIT THE ASSOCIATION
