## 2026 Fall Meeting

Friday, September 11, 2026

North Conway, NH WWTF

The North Conway Water Precinct Wastewater Treatment Facility will host the annual NHWPCA Fall Meeting on Friday, September 11, 2026, highlighting recent upgrades to aeration, a backup generator, and full SCADA overhaul.

The tours will be of the North Conway Water Precinct WWTF on Sawmill Lane, where staff will walk attendees through the treatment process, which is centered around a 5-stage Bardenpho process. After the tours attendees are invited to a follow-up technical presentation and luncheon at the Red Fox Bar & Grille Iron Mountain Room, offering a cozy setting for networking with facility staff and environmental professionals

### AGENDA

8:30AM **Tours begin at the North Conway Water Precinct WWTF**  
(Coffee & Pastries provided by Wright-Pierce)

10:30AM Last Tour

11:00AM **Gather at the Red Fox Bar & Grille** for presentation, appetizers and lunch
